From the East:

Brethren,

As we draw closer to the 200th anniversary of our lodge, we as its members should think about the future of our lodge and how to keep it solvent. For those who have not been able to attend lodge, our treasurer has reported a continual loss of sustainable funds over the past few years, which a continuation of this trend will only produce our demise. To remedy this, we must implement a mechanism whereby the Finance Committee will be tasked to maintain financial vigilance to ensure growth and continued longevity. This also becomes the catalyst to revise and update our By-Laws. If guidance to achieve and adherence to maintain is not written, the passage of such regulation cannot be maintained. Save the date and join us in lodge; may your voice be heard.

Fraternally yours,

Matthew F. Sanders, Worshipful Master

From the Secretary's desk:

On May 18th a proposed new Columbia Lodge No. 58 By-Laws will be presented and discussed, and the Lodge members will have a chance to make changes. The “revised” proposal will be sent to the Grand Lodge for approval. In the Fall, copies of the Grand Lodges approved By-Laws will be sent to each member and at a meeting sometime after 30 days all members present will have a chance to approve or disapprove the By-Laws.

An immediate change in the dues and petition fields is not proposed but there is a provision in the By-Laws for an annual review by the Finance Committee to recommend an increase amount. After due notice to the membership, it will then have to be voted upon.

Al Wallace, Secretary

301-473-4848 or jaalwa717@comcast.net
